# Our Valued Customers

## What customers love about us

*"ixie has worked with Kabam since October 2020 and has provided us with timely and accurate Game QA services, all the while navigating through language barriers and time zone differences.*

Felipe Muslera  
QA Manager

*"Our journey with ixie over the course of this year has been exceptional. Their professional attitude, short turnarounds, 24-hour support and outstanding flexibility have set them apart from other companies.*

Stefan Irimia
